Dereld,

Would you be able to help with a part availability and price. It's on page 34, it looks like a filter part number 635815.

Thank you,

Michael

Hello Michael,

You have a real old unit there!
I have attached what I believe it to be.

Best regards,
Dereld

Derereld,

Can you help identify this sprayer. Its for a customer and there is no identifying plate or number on it. These are the photos the dealer sent me

Thank you

Michael
